

## **VSZI'18 Conference abstract formal requirement**

**Author, Author**

*name of the institute*

*Address, e-mail address of correspond author*

Your abstract should not exceed 800-1000 character of A4 size in this case the exceeded text will be delet.

Please do not use Heather and Footer. Margins: top, left, right and bottom margin 2.5 cm, like this example. The abstract title should be 16-point Times New Roman boldface, center align with single line spacing; the author(s) should be 14-point Times New Roman boldface, center align, single line spacing, and should be the name and address of the institute(s) 12-pount Times New Roman normal plain, center align, italic with single line spacing. After the paragraph the line spacing is 6pt.

After a line space should be the text should be 12-point Times New Roman single column, with single line spacing. The paragraph line space is exactly 14 pt. First line of indentation is 0,5 cm. Using symbols please use the Symbol font.

All text in this example has the correct formatting style. Therefore, you can simply type or copy-paste your text into this document (This is most convenient by using Edit > Paste special > unformatted text). The text should be justified.
